

WOLF RIDGE CAMP INFORMATION

Weather: The weather can be very unpredictable. *Almost all programs are outdoor activities – Rain or Shine! Please come prepared for any weather.* In addition, although we plan our hikes to be suitable for all, our trails have some steep spots and the gravelly terrain can make some spots slippery. There is a dressing room with a sink and cold running water. There are 2 restroom facilities located down the path from the cabins: male and female. There are multiple sinks and toilets. Showers are private with a dressing room, and have hot and cold water. Please decide ahead of time on sleeping arrangements. There must be at least one adult per cabin. Upon arrival, you will fill out a form noting any damages present to the cabins assigned to you to ensure further damage can be billed appropriately.

Meals: The meals are Chef's Choice and include dinner and breakfast. A vegetarian choice can be provided at each meal with notice. If you have any food allergies or other diet restrictions (including vegetarian), please let us know at least two weeks in advance.

Campfire: Overnight camps include a campfire, unless we are under a burn ban which a staff member will build and tend. You may bring ingredients for s'mores (you will need to provide the skewers as well), along with any other snacks and drinks.

Emergency Contact: A staff member of Fossil Rim Wildlife Center will be staying overnight at the camp. Please do not hesitate to wake them through the night if you have any needs.

ALL CAMPS

Be sure that all campers (adult and children) receive and sign a "Camper Release of Liability Form" at least a week before camp. They should also receive a copy of "Camp Information and Policies".

Before you come, divide your group into the number of subgroups denoted on the itinerary that you will receive two weeks prior to your camp date, with one chaperone for every 12-13 children. Please be aware that you and your chaperones are responsible for "crowd control" of your group at all times during your stay at Fossil Rim, including at meals and during any free time.

We must have an exact head count two weeks prior to your camp. It may not be possible to accommodate everyone on the park tour or in other activities if the number of visitors is greater than expected.

Be aware that Wolf Ridge Camp is a multi-group facility in which groups may be sharing common facilities and programs (with the exception of bunkhouses).

Please arrive in a timely manner (9:00 AM for day camps, 10:00 AM for overnight camps). Due to time constraints, scheduled activities may have to be deleted for late arrivals.
