Race and Ethnicity Form

The U.S. Census Bureau has changed the standards for classification of federal data pertaining to race and ethnicity. Race and ethnicity are to be reported as separate and distinct identities. As a result, the National Catholic Education Agency (NCEA) has changed their categories. Therefore, our school must change the categories we have on file to capture this information going forward. Please take a moment to fill out the form below for each of your children that are enrolled in our school.

Choose one option from each category, ethnicity and race, for each student. Please remember to put each child's first and last name. (See racial category definitions below). The school will enter the information into our data base. Thank you!
