

Bus Transportation for Track Practice

Holy Trinity Catholic High School is partnering with St. Mary's Catholic School to provide transportation to HTCHS, free of charge, for middle school track practices after school.

Students will depart from St. Mary's Catholic School to Holy Trinity Catholic High School in the afternoon, upon school dismissal.

This service is intended to provide families with a greater convenience of only having to pick up after track practice at Holy Trinity.

If you would like to register for this service, please provide the following information and return it to St. Mary's Catholic School office before they can ride.

Each student must be registered on a separate form (one per student, **NOT** one per family).
