D. Manuel – Update:

## St. Mary's Catholic School Consultative Board Meeting Minutes

Mr. Alanz reported that action items have been developed. Information come from the Diocese, School Boards Resources. These will be discussed at the August 21 meeting.

Some thoughts were to look at a nominating committee and getting suggestions from members through Pastors.

Also, biographical sketches of candidates would be helpful. This would be good for current board members as well for the next year.

Manuel working with his Parrish to identify whom the parents are with children at St. Mary's.

Father mentioned that he feels a lack of support from other Pastors in the deanery. At the deanery meeting May 10, Father will ask Parrish Priest for suggestions of parents that might be interested in being on the school board.

Person's interested in School Board memberships could be invited to a meeting to see what the process is like.

**E. Crawfish Boil:** The Crawfish Boil was a success. Both St. Mary's and Holy Trinity should get about \$500.00 from the event.

**F. Miscellaneous Items:** Jim Featherman gave a technology report the new database went live on May 7, 2018.

In closing, Mrs. Wyles thanked the school board for their input and participation over the year.

### III. **Adjourn & closing of Meeting:**

**The next will be August 21 at 7:15 am.**

**Father closed the meeting a prayer.**
