

Fossil Rim Overnight Trip Behavior Contract

St. Mary's Catholic School fifth graders have the opportunity to attend an overnight trip to Fossil Rim. We expect to have a great time while we learn a lot. We will depend on you, the student, to use good self-control so that everyone enjoys this experience. Please read the following guidelines and sign and date the contract below.

- I understand that while I am at Fossil Rim I am still expected to follow the normal school rules.
- I must follow the directions given by teachers, parent helpers, and Fossil Rim staff members.
- I realize that my attitude will affect my ability to learn, so I will maintain a positive attitude, participate in the activities, and look forward to having fun while learning.
- I will remain attentive and quiet during instruction times. I realize that while most of the activities will be outside, I will be expected to listen and follow directions.
- I know that I will be expected to use good judgment before taking any actions.
- I will use good self-control to help keep me safe and to make it safer for my classmates.
- I will treat others with respect in the same way that I wish others to treat me.
- If I have a disagreement with another student, I will ask for assistance from an adult if needed to help solve the problem.
- I will respect the property of others and leave their belongings alone.

If you choose to follow these guidelines, expect to have a very enjoyable experience and receive the gratitude and admiration of your teachers and the parent helpers.

If you choose inappropriate behaviors while at camp, expect your teacher to follow this plan:

- Discuss the problem with you and explain the expectations of improvement
- Discuss the problem with you and possibly restrict you from an activity
- Call your parent to discuss the behavior and consequences
- Call your parent to come and pick you up
